

Perch Loft Bed in Birch

*For Immediate Release*

**The PERCH LOFT BED: a space-saving solution in a stylish design**

*Brooklyn, NY – September 2014 – Oeuf*

Designed with a sharp modern aesthetic, the Perch Loft Bed features a full bed with plenty of room below for reading, relaxing, playing, or even for additional bedroom furniture. Kids will be thrilled to have a comfy area all of their own, and parents will love the functional way the Perch loft Bed maximizes every inch of precious space.

From the coziest brownstone to the most generous of ramblers, Perch Loft Bed is transforming bedrooms with its space-saving floor plan and durable, practical good looks. The kid-friendly ladder angle makes for easy climbing, and a safety wall around the top helps kids (and parents) sleep tight. Keep toys and clothes neatly tucked away in the optional coordinating shelf and sleek console.
